WLL Chronology -jan 2016-final.pdf

Hi Curtis,

Here's the chronology.

Just spoke with Terrie Boguski. She will be at the March 2 meeting and give a quick overview of the site and where EPA currently is, and outline the overall Superfund process.

Also spoke with Cindy and requested the agenda by COB Wednesday and the email contact list and draft invitation language.

Hi Ben,

Attached is the revised chronology graphic. As we discussed, our graphics artist thought the horizontal layout would work better and our editor made a lot of edits. If you want any revisions, please let me know.

Thanks.

Hi Terrie, please use the pdf attached!

I made minimal adjustments to the alignment, but is better, please note that I chab=nged the

name to –final, just so it doesn't get confused with the earlier one.

Thank you,

Ceci
